

## NVIDIA SOFTWARE LICENSE AGREEMENT

Release Date: October 20, 2016

### IMPORTANT – READ BEFORE DOWNLOADING, INSTALLING, COPYING OR USING THE LICENSED SOFTWARE

This Software License Agreement ("SLA"), made and entered into as of the time and date of click through action ("Effective Date"), is a legal agreement between you and NVIDIA Corporation ("NVIDIA") and governs the use of the NVIDIA computer software and the documentation made available for use with such NVIDIA software. By downloading, installing, copying, or otherwise using the NVIDIA software and/or documentation, you agree to be bound by the terms of this SLA. If you do not agree to the terms of this SLA, do not download, install, copy or use the NVIDIA software or documentation. IF YOU ARE ENTERING INTO THIS SLA ON BEHALF OF A COMPANY OR OTHER LEGAL ENTITY, YOU REPRESENT THAT YOU HAVE THE LEGAL AUTHORITY TO BIND THE ENTITY TO THIS SLA, IN WHICH CASE "YOU" WILL MEAN THE ENTITY YOU REPRESENT. IF YOU DON'T HAVE SUCH AUTHORITY, OR IF YOU DON'T ACCEPT ALL THE TERMS AND CONDITIONS OF THIS SLA, THEN NVIDIA DOES NOT AGREE TO LICENSE THE LICENSED SOFTWARE TO YOU, AND YOU MAY NOT DOWNLOAD, INSTALL, COPY OR USE IT.

### 1. LICENSE.

1.1 License Grant. Subject to the terms of the AGREEMENT, NVIDIA hereby grants you a non-exclusive, non-transferable license, without the right to sublicense (except as expressly set forth in a Supplement), during the applicable license term unless earlier terminated as provided below, to have Authorized Users install and use the Software, including modifications (if expressly permitted in a Supplement), in accordance with the Documentation. You are only licensed to activate and use Licensed Software for which you have a valid license, even if during the download or installation you are presented with other product options. No Orders are binding on NVIDIA until accepted by NVIDIA. Your Orders are subject to the AGREEMENT.

SLA Supplements: Certain Licensed Software licensed under this SLA may be subject to additional terms and conditions that will be presented to you in a Supplement for acceptance prior to the delivery of such Licensed Software under this SLA and the applicable Supplement. Licensed Software will only be delivered to you upon your acceptance of all applicable terms.

1.2 Limited Purpose Licenses. If your license is provided for one of the purposes indicated below, then notwithstanding contrary terms in Section 1.1 or in a Supplement, such licenses are for internal use and do not include any right or license to sub-license and distribute the Licensed Software or its output in any way in any public release, however limited, and/or in any manner that provides third parties with use of or access to the Licensed Software or its functionality or output, including (but not limited to) external alpha or beta testing or development phases. Further:

(i) Evaluation License. You may use evaluation licenses solely for your internal evaluation of the Licensed Software for broader adoption within your Enterprise or in connection with a NVIDIA product purchase decision, and such licenses have an expiration date as indicated by NVIDIA in its sole discretion (or ninety days from the date of download if no other duration is indicated).

(ii) Educational/Academic License. You may use educational/academic licenses solely for educational purposes and all users must be enrolled or employed by an academic institution. If you do not meet NVIDIA's academic program requirements for educational institutions, you have no rights under this license.

(iii) Test/Development License. You may use test/development licenses solely for your internal development, testing and/or debugging of your software applications or for interoperability testing with the Licensed Software, and such licenses have an expiration date as indicated by NVIDIA in its sole discretion (or one year from the date of download if no other duration is indicated). NVIDIA Confidential Information under the AGREEMENT includes output from Licensed Software developer tools identified as "Pro" versions, where the output reveals functionality or performance data pertinent to NVIDIA hardware or software products.

1.3 Pre-Release Licenses. With respect to alpha, beta, preview, and other pre-release Software and Documentation ("**Pre-Release Licensed Software**") delivered to you under the AGREEMENT you acknowledge and agree that such Pre-Release Licensed Software (i) may not be fully functional, may contain errors or design flaws, and may have reduced or different security, privacy, accessibility, availability, and reliability standards relative to commercially provided NVIDIA software and documentation, and (ii) use of such Pre-Release Licensed Software may result in unexpected results, loss of data, project delays or other unpredictable damage or loss. THEREFORE, PRE-RELEASE LICENSED SOFTWARE IS NOT INTENDED FOR USE, AND SHOULD NOT BE USED, IN PRODUCTION OR BUSINESS-CRITICAL SYSTEMS. NVIDIA has no obligation to make available a commercial version of any Pre-Release Licensed Software and NVIDIA has the right to abandon development of Pre-Release Licensed Software at any time without liability.

1.4 Enterprise and Contractor Usage. You may allow your Enterprise employees and Contractors to access and use the Licensed Software pursuant to the terms of the AGREEMENT solely to perform work on your behalf, provided further that with respect to Contractors: (i) you obtain a written agreement from each Contractor which contains terms and obligations with respect to access to and use of Licensed Software no less protective of NVIDIA than those set forth in the AGREEMENT, and (ii) such Contractor's access and use expressly excludes any sublicensing or distribution rights for the Licensed Software. You are responsible for the compliance with the terms and conditions of the AGREEMENT by your Enterprise and Contractors. Any act or omission that, if committed by you, would constitute a breach of the AGREEMENT shall be deemed to constitute a breach of the AGREEMENT if committed by your Enterprise or Contractors.

1.5 Services. Except as expressly indicated in an Order, NVIDIA is under no obligation to provide support for the Licensed Software or to provide any patches, maintenance, updates or upgrades under the AGREEMENT. Unless patches, maintenance, updates or upgrades are provided with their separate governing terms and conditions, they constitute Licensed Software licensed to you under the AGREEMENT.

## 2. LIMITATIONS.

2.1 License Restrictions. Except as expressly authorized in the AGREEMENT, you agree that you will not (nor authorize third parties to): (i) copy and use Software that was licensed to you for use in one or more NVIDIA hardware products in other unlicensed products (provided that copies solely for backup purposes are allowed); (ii) reverse engineer, decompile, disassemble (except to the extent applicable laws specifically require that such activities be permitted) or attempt to derive the source code, underlying ideas, algorithm or structure of Software provided to you in object code form; (iii) sell, transfer, assign, distribute, rent, loan, lease, sublicense or otherwise make available the Licensed Software or its functionality to third parties (a) as an application services provider or service bureau, (b) by operating hosted/virtual system environments, (c) by hosting, time sharing or providing any other type of services, or (d) otherwise by means of the internet; (iv) modify, translate or otherwise create any derivative works of any Licensed Software; (v) remove, alter, cover or obscure any proprietary notice that appears on or with the Licensed Software or any copies thereof; (vi) use the Licensed Software, or allow its use, transfer, transmission or export in violation of any applicable export control laws, rules or regulations; (vii) distribute, permit access to, or sublicense the Licensed Software as a stand-alone product; (viii) bypass, disable, circumvent or remove any form of copy protection, encryption, security or digital rights management or authentication mechanism used by NVIDIA in connection with the Licensed Software, or use the Licensed Software together with any authorization code, serial number, or other copy protection device not supplied by NVIDIA directly or through an authorized reseller; (ix) use the Licensed Software for the purpose of developing competing products or technologies or assisting a third party in such activities; (x) use the Licensed Software with any system or application where the use or failure of such system or application can reasonably be expected to threaten or result in personal injury, death, or catastrophic loss including, without limitation, use in connection with any nuclear, avionics, navigation, military, medical, life support or other life critical application ("Critical Applications"), unless the parties have entered into a Critical Applications agreement; (xi) distribute any modification or derivative work you make to the Licensed Software under or by reference to the same name as used by NVIDIA; or (xii) use the Licensed Software in any manner that would cause the Licensed Software to become subject to an Open Source License. Nothing in the AGREEMENT shall be construed to give you a right to use, or otherwise obtain access to, any source code from which the Software or any portion thereof is compiled or interpreted. You acknowledge that NVIDIA does not design, test, manufacture or certify the Licensed Software for use in the context of a Critical Application and NVIDIA shall not be liable to you or any third party, in whole or in part, for any claims or damages arising from such use. You agree to defend, indemnify and hold harmless NVIDIA and its Affiliates, and their respective employees, contractors, agents, officers and directors, from and against any and all claims, damages, obligations, losses, liabilities, costs or debt, fines, restitutions and expenses (including but not limited to attorney's fees and costs incident to establishing the right of indemnification) arising out of or related to you and your Enterprise, and their respective employees, contractors, agents, distributors, resellers, end users, officers and directors use of Licensed Software outside of the scope of the AGREEMENT or any other breach of the terms of the AGREEMENT.

2.2 Third Party License Obligations. You acknowledge and agree that the Licensed Software may include or incorporate third party technology (collectively "Third Party Components"), which is provided for use in or with the Software and not otherwise used separately. If the Licensed Software includes or incorporates Third Party Components, then the third-party pass-through terms and conditions ("Third Party Terms") for the particular Third Party Component will be bundled with the Software or otherwise made available online as indicated by NVIDIA and will be incorporated by reference into the AGREEMENT. In the event of any conflict between the terms in the AGREEMENT and the Third Party Terms, the Third Party Terms shall govern. Copyright to Third Party Components are held by the copyright holders indicated in the copyright notices indicated in the Third Party Terms.

Audio/Video Encoders and Decoders. You acknowledge and agree that it is your sole responsibility to obtain any additional third party licenses required to make, have made, use, have used, sell, import, and offer for sale your products or services that include or

incorporate any Third Party Components and content relating to audio and/or video encoders and decoders from, including but not limited to, Microsoft, Thomson, Fraunhofer IIS, Sisvel S.p.A., MPEG-LA, and Coding Technologies as NVIDIA does not grant to you under the AGREEMENT any necessary patent or other rights with respect to audio and/or video encoders and decoders.

2.3 **Limited Rights.** Your rights in the Licensed Software are limited to those expressly granted under the AGREEMENT and no other licenses are granted whether by implication, estoppel or otherwise. NVIDIA reserves all rights, title and interest in and to the Licensed Software not expressly granted under the AGREEMENT.

**3. CONFIDENTIALITY.** Neither party will use the other party's Confidential Information, except as necessary for the performance of the AGREEMENT, nor will either party disclose such Confidential Information to any third party, except to personnel of NVIDIA and its Affiliates, you, your Enterprise, your Enterprise Contractors, and each party's legal and financial advisors that have a need to know such Confidential Information for the performance of the AGREEMENT, provided that each such personnel, employee and Contractor is subject to a written agreement that includes confidentiality obligations consistent with those set forth herein. Each party will use all reasonable efforts to maintain the confidentiality of all of the other party's Confidential Information in its possession or control, but in no event less than the efforts that it ordinarily uses with respect to its own Confidential Information of similar nature and importance. The foregoing obligations will not restrict either party from disclosing the other party's Confidential Information or the terms and conditions of the AGREEMENT as required under applicable securities regulations or pursuant to the order or requirement of a court, administrative agency, or other governmental body, provided that the party required to make such disclosure (i) gives reasonable notice to the other party to enable it to contest such order or requirement prior to its disclosure (whether through protective orders or otherwise), (ii) uses reasonable effort to obtain confidential treatment or similar protection to the fullest extent possible to avoid such public disclosure, and (iii) discloses only the minimum amount of information necessary to comply with such requirements.

**4. OWNERSHIP.** You are not obligated to disclose to NVIDIA any modifications that you, your Enterprise or your Contractors make to the Licensed Software as permitted under the AGREEMENT. As between the parties, all modifications are owned by NVIDIA and licensed to you under the AGREEMENT unless otherwise expressly provided in a Supplement. The Licensed Software and all modifications owned by NVIDIA, and the respective Intellectual Property Rights therein, are and will remain the sole and exclusive property of NVIDIA or its licensors, whether the Licensed Software is separate from or combined with any other products or materials. You shall not engage in any act or omission that would impair NVIDIA's and/or its licensors' Intellectual Property Rights in the Licensed Software or any other materials, information, processes or subject matter proprietary to NVIDIA. NVIDIA's licensors are intended third party beneficiaries with the right to enforce provisions of the AGREEMENT with respect to their Confidential Information and/or Intellectual Property Rights.

**5. FEEDBACK.** You have no obligation to provide Feedback to NVIDIA. However, NVIDIA and/or its Affiliates may use and include any Feedback that you provide to improve the Licensed Software or other NVIDIA products, technologies or materials. Accordingly, if you provide Feedback, you agree that NVIDIA and/or its Affiliates, at their option, may, and may permit their licensees, to make, have made, use, have used, reproduce, license, distribute and otherwise commercialize the Feedback in the Licensed Software or in other NVIDIA products, technologies or materials without the payment of any royalties or fees to you. All Feedback becomes the sole property of NVIDIA and may be used in any manner NVIDIA sees fit, and you hereby assign to NVIDIA all of your right, title and interest in and to any Feedback. NVIDIA has no obligation to respond to Feedback or to incorporate Feedback into the Licensed Software.

**6. NO WARRANTIES.** THE LICENSED SOFTWARE AND ANY OTHER CONFIDENTIAL INFORMATION AND/OR SERVICES ARE PROVIDED BY NVIDIA "AS IS" AND "WITH ALL FAULTS," AND NVIDIA EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES OF ANY KIND OR NATURE, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTIES OF OPERABILITY, CONDITION, VALUE, ACCURACY OF DATA, OR QUALITY, AS WELL AS ANY WARRANTIES OF MERCHANTABILITY, SYSTEM INTEGRATION, WORKMANSHIP, SUITABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, OR THE ABSENCE OF ANY DEFECTS THEREIN, WHETHER LATENT OR PATENT. NO WARRANTY IS MADE BY NVIDIA ON THE BASIS OF TRADE USAGE, COURSE OF DEALING OR COURSE OF TRADE. NVIDIA DOES NOT WARRANT THAT THE LICENSED SOFTWARE OR ANY OTHER CONFIDENTIAL INFORMATION AND/OR SERVICES PROVIDED BY NVIDIA UNDER THE AGREEMENT WILL MEET YOUR REQUIREMENTS OR THAT THE OPERATION THEREOF WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT ALL ERRORS WILL BE CORRECTED. YOU ACKNOWLEDGE THAT NVIDIA'S OBLIGATIONS UNDER THE AGREEMENT ARE FOR THE BENEFIT OF YOU ONLY. Nothing in this warranty section affects any statutory rights of consumers or other recipients to the extent that they cannot be waived or limited by contract under applicable law.

**7. LIMITATION OF LIABILITY.** TO THE MAXIMUM EXTENT PERMITTED BY LAW, NVIDIA OR ITS LICENSORS SHALL NOT BE LIABLE FOR ANY SPECIAL, INCIDENTAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, OR ANY LOST PROFITS, LOSS OF USE, LOSS OF DATA OR LOSS OF GOODWILL, OR THE COSTS OF PROCURING SUBSTITUTE PRODUCTS, ARISING OUT OF OR IN CONNECTION WITH THE AGREEMENT OR

THE USE OR PERFORMANCE OF THE LICENSED SOFTWARE AND ANY OTHER CONFIDENTIAL INFORMATION AND/OR SERVICES PROVIDED BY NVIDIA UNDER THE AGREEMENT, WHETHER SUCH LIABILITY ARISES FROM ANY CLAIM BASED UPON BREACH OF CONTRACT, BREACH OF WARRANTY, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY OR ANY OTHER CAUSE OF ACTION OR THEORY OF LIABILITY. IN NO EVENT WILL NVIDIA'S TOTAL CUMULATIVE LIABILITY UNDER OR ARISING OUT OF THE AGREEMENT EXCEED THE NET AMOUNTS RECEIVED BY NVIDIA FOR YOUR USE OF THE PARTICULAR LICENSED SOFTWARE DURING THE TWELVE (12) MONTHS BEFORE THE LIABILITY AROSE (or up to US\$10.00 if you acquired the Licensed Software for no charge). THE NATURE OF THE LIABILITY, THE NUMBER OF CLAIMS OR SUITS OR THE NUMBER OF PARTIES WITHIN YOUR ENTERPRISE THAT ACCEPTED THE TERMS OF THE AGREEMENT SHALL NOT ENLARGE OR EXTEND THIS LIMIT. THE FOREGOING LIMITATIONS SHALL APPLY REGARDLESS OF WHETHER NVIDIA OR ITS LICENSORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND REGARDLESS OF WHETHER ANY REMEDY FAILS ITS ESSENTIAL PURPOSE. The disclaimers, exclusions and limitations of liability set forth in the AGREEMENT form an essential basis of the bargain between the parties, and, absent any such disclaimers, exclusions or limitations of liability, the provisions of the AGREEMENT, including, without limitation, the economic terms, would be substantially different.

## **8. TERM AND TERMINATION.**

8.1 AGREEMENT, Licenses and Services. This SLA shall become effective upon the Effective Date, each Supplement upon their acceptance, and both this SLA and Supplements shall continue in effect until your last access or use of the Licensed Software and/or services hereunder, unless earlier terminated as provided in this "Term and Termination" section. Each Licensed Software license ends at the earlier of (a) the expiration of the applicable license term, or (b) termination of such license or the AGREEMENT. Each service ends at the earlier of (x) the expiration of the applicable service term, (y) termination of such service or the AGREEMENT, or (z) expiration or termination of the associated license and no credit or refund will be provided upon the expiration or termination of the associated license for any service fees paid.

8.2 Termination and Effect of Expiration or Termination. NVIDIA may terminate the AGREEMENT in whole or in part: (i) if you breach any term of the AGREEMENT and fail to cure such breach within thirty (30) days following notice thereof from NVIDIA (or immediately if you violate NVIDIA's Intellectual Property Rights); (ii) if you become the subject of a voluntary or involuntary petition in bankruptcy or any proceeding relating to insolvency, receivership, liquidation or composition for the benefit of creditors, if that petition or proceeding is not dismissed with prejudice within sixty (60) days after filing, or if you cease to do business; or (iii) if you commence or participate in any legal proceeding against NVIDIA, with respect to the Licensed Software that is the subject of the proceeding during the pendency of such legal proceeding. If you or your authorized NVIDIA reseller fail to pay license fees or service fees when due then NVIDIA may, in its sole discretion, suspend or terminate your license grants, services and any other rights provided under the AGREEMENT for the affected Licensed Software, in addition to any other remedies NVIDIA may have at law or equity. Upon any expiration or termination of the AGREEMENT, a license or a service provided hereunder, (a) any amounts owed to NVIDIA become immediately due and payable, (b) you must promptly discontinue use of the affected Licensed Software and/or service, and (c) you must promptly destroy or return to NVIDIA all copies of the affected Licensed Software and all portions thereof in your possession or control, and each party will promptly destroy or return to the other all of the other party's Confidential Information within its possession or control. Upon written request, you will certify in writing that you have complied with your obligations under this section. Upon expiration or termination of the AGREEMENT all provisions survive except for the license grant provisions.

## **9. CONSENT TO COLLECTION AND USE OF INFORMATION.**

You hereby agree and acknowledge that the Software may access, collect non-personally identifiable information about your Enterprise computer systems in order to properly optimize such systems for use with the Software. To the extent that you use the Software, you hereby consent to all of the foregoing, and represent and warrant that you have the right to grant such consent. In addition, you agree that you are solely responsible for maintaining appropriate data backups and system restore points for your Enterprise systems, and that NVIDIA will have no responsibility for any damage or loss to such systems (including loss of data or access) arising from or relating to (a) any changes to the configuration, application settings, environment variables, registry, drivers, BIOS, or other attributes of the systems (or any part of such systems) initiated through the Software; or (b) installation of any Software or third party software patches initiated through the Software. In certain systems you may change your system update preferences by unchecking "Automatically check for updates" in the "Preferences" tab of the control panel for the Software.

In connection with the receipt of the Licensed Software or services you may receive access to links to third party websites and services and the availability of those links does not imply any endorsement by NVIDIA. NVIDIA encourages you to review the privacy statements on those sites and services that you choose to visit so that you can understand how they may collect, use and share personal information of individuals. NVIDIA is not responsible or liable for: (i) the availability or accuracy of such links; or (ii) the products,

services or information available on or through such links; or (iii) the privacy statements or practices of sites and services controlled by other companies or organizations.

To the extent that you or members of your Enterprise provide to NVIDIA during registration or otherwise personal information, you acknowledge that such information will be collected, used and disclosed by NVIDIA in accordance with NVIDIA's privacy policy, available at URL [http://www.nvidia.com/object/privacy\\_policy.html](http://www.nvidia.com/object/privacy_policy.html).

Any amendment or waiver under the AGREEMENT must be in writing and signed by representatives of both parties.

The AGREEMENT and the rights and obligations thereunder may not be assigned by you, in whole or in part, including by merger, consolidation, dissolution, operation of law, or any other manner, without written consent of NVIDIA, and any purported assignment in violation of this provision shall be void and of no effect. NVIDIA may assign, delegate or transfer the AGREEMENT and its rights and obligations hereunder, and if to a non-Affiliate you will be notified.

The AGREEMENT will be governed by and construed under the laws of the State of Delaware and the United States without regard to the conflicts of law provisions thereof and without regard to the United Nations Convention on Contracts for the International Sale of Goods. The parties consent to the personal jurisdiction of the federal and state courts located in Santa Clara County, California. You acknowledge and agree that a breach of any of your promises or agreements contained in the AGREEMENT may result in irreparable and continuing injury to NVIDIA for which monetary damages may not be an adequate remedy and therefore NVIDIA is entitled to seek injunctive relief as well as such other and further relief as may be appropriate. If any court of competent jurisdiction determines that any provision of the AGREEMENT is illegal, invalid or unenforceable, the remaining provisions will remain in full force and effect. Unless otherwise specified, remedies are cumulative.

**Release date: November 9, 2016**

The terms set forth in this Software Services Supplement ("Supplement") describe the Service Subscriptions that you may obtain directly from NVIDIA for Licensed Software under the terms of your software license agreement ("SLA") and this Supplement. This

Supplement is an exhibit to the SLA and is hereby incorporated as an integral part thereto. Capitalized terms used but not defined herein shall have the meaning assigned to them in the SLA. In the event of conflict between the terms in this Supplement and the terms in the SLA, this Supplement shall control.

**1. SCOPE.** If your Order indicates that NVIDIA will directly provide Technical Support, Maintenance, Updates and/or Upgrades for your Supported Software licenses, then NVIDIA agrees to provide the below services to the Supported Software based on the Service Subscription purchased during the applicable Service Term, solely on Certified System(s) operating the Supported Software, and solely for the Supported OSs. The services described in this Supplement are provided by NVIDIA to you based on the then-current Service Subscription plan(s) available for the particular Supported Software. In the event that you have an agreement with a NVIDIA reseller specifying that a third party will deliver the same services described in this Supplement for a Licensed Software, this Supplement does not apply. NVIDIA may update the scope of services under your Service Subscription plan and any such modifications are binding on you, provided that such modifications apply to customers generally and do not single you out.

## **2. SERVICES.**

**2.1 Technical Support.** If your Service Subscription for a Supported Software includes Technical Support, subject to payment of applicable Service Fees NVIDIA will make available to you Technical Support for such Supported Software during the Service Term. You will be permitted to designate in writing to NVIDIA Designated Users for purposes of obtaining Technical Support from NVIDIA, which list of Designated Users may be updated by you at any time by written notice to NVIDIA (which may include notice by email or other electronic transmission). NVIDIA will provide Technical Support to such Designated Users via a dedicated support portal that allows the Designated User(s) to make Support Issue requests for the Supported Software through the dedicated support portal. Notwithstanding NVIDIA's confidentiality obligations under the AGREEMENT, you hereby grant NVIDIA permission to discuss your Support Issues with the third party from which the system was purchased for the purpose of resolving the Support Issue, including sharing with such third party any relevant information (including, for the avoidance of doubt, Confidential Information) that would be useful in assisting with such resolution.

**Support Issue Response and Resolution:** A Designated User identified as a site manager shall prioritize Support Issues by ranking them in a queue order (the "Support Issue Ranking"). For potential Support Issues filed by a Designated User, NVIDIA will use commercially reasonable efforts to analyze each such potential Support Issue to determine if it qualifies as a Support Issue. NVIDIA shall issue a Response to all potential Support Issues filed within the Response time indicated for your Technical Support plan, provided no commitment is made with respect to the specific resolution. Such Response will indicate one or more of the following: (a) acceptance of the request as a Support Issue; (b) request for further information; and/or (c) notification that such potential Support Issue does not qualify as a Support Issue receiving service coverage under this Supplement.

**Support Issue Prioritization:** During the Service Term, for the Support Issue currently ranked highest in the Support Issue Ranking (the "Active Support Issue"), NVIDIA shall use commercially reasonable efforts to address and provide resolution for such Active Support Issue, until the earlier of: (a) resolution of such Active Support Issue; or (b) reprioritization of the Support Issue Ranking (by reordering Support Issues on the Support Issue Ranking). The Support Issue Ranking order may be changed by a Designated User identified as a site manager up to once every seven (7) days.

**2.2 Maintenance.** If your Service Subscription for a Supported Software includes Maintenance, subject to payment of applicable Service Fees NVIDIA will make available to you the Maintenance associated with such Supported Software during the Service Term.

**2.3 Updates.** If your Service Subscription for a Supported Software includes Updates, subject to payment of applicable Service Fees NVIDIA will make available to you the Updates associated with such Supported Software during the Service Term.

**2.4 Upgrades.** If your Service Subscription for a Supported Software includes Upgrades, subject to payment of applicable Service Fees NVIDIA will make available to you the Upgrades associated with such Supported Software during the Service Term.

**2.5 Service Subscription Reinstatement.** If you elect not to renew certain Service Subscriptions and later you desire to re-enroll to receive such services, you must pay with respect to the services being reinstated at the then-current rates: (a) Service Fees for the period between the last expiration of the Service Subscription and until commencement of the new Services Subscription, (b) Service Fees for the new Services Subscription, for the Service Term, and (c) the applicable reinstatement fees in addition to Service Fees under (a) and (b). Service Subscription re-enrollment is subject to availability of the Service Subscription plans at the time of ordering and software version restrictions.

2.6 **Requirements and Availability.** You shall (a) purchase the initial Service Subscription for a Supported Software only for the most current generally available version of the Supported Software, and (b) initially purchase and renew Service Subscriptions for all of your licenses of a Supported Software. The Service Subscription plans will indicate the types of services (from the above) that are available for Supported Software during the General Support Period and the Extended Support Period. NVIDIA may, at its sole discretion, decide that a Supported Software version has reached the end of the Extended Support Period. NVIDIA is not obligated to provide any services under this Supplement for a Supported Software version after the end of the Extended Support Period. NVIDIA is not obligated to initiate or renew any Service Subscription if such Service Subscription is no longer made generally available by NVIDIA to its customers.

**3. EXCLUSIONS.** You shall not request, and NVIDIA shall not provide services under this Supplement related to:

- (a) errors in your own or your licensors' products that are not due to Errors in the Supported Software;
- (b) service necessary due to operator error, improper use of the Supported Software or attempted support by unauthorized persons;
- (c) your use of the Supported Software outside of the scope permitted under the AGREEMENT;
- (d) modifications to the Supported Software made by you or on your behalf, or any modifications made by any third party without NVIDIA's authorization;
- (e) use of the Supported Software that deviates from the operating procedures, indicated supported operating systems and any other specifications indicated in the Documentation;
- (f) to the extent the provision thereof would violate NVIDIA's obligations to its third party licensors and suppliers with respect to such third parties' intellectual property; or
- (g) Supported Software or services provided free of charge.

Further, services under this Supplement do not include any enhancement(s) or addition(s) to the Supported Software beyond Maintenance, Updates and Upgrades.

**4. YOUR SERVICE RESPONSIBILITIES.** In order for NVIDIA to deliver services under this Supplement, you agree that:

- (a) you are responsible for procuring, installing and maintaining all equipment and obtaining all consents for other software and other hardware necessary to operate the Supported Software;
- (b) your failure to deploy a Maintenance, Update or Upgrade available to you as promptly as possible may render the applicable Supported Software non-operable or non-conforming to the later Documentation provided by NVIDIA and you assume all risks and liability arising therefrom;
- (c) you shall further provide through Designated Users such information, and/or access to your resources as NVIDIA may reasonably require in order to provide services, including access to, and assistance of, your personnel who possess information required by NVIDIA for purposes of performing its obligations hereunder. As examples, as reasonably requested by NVIDIA you shall (i) identify the correct version(s) of Supported Software to which a potential Support Issue relates, (ii) provide the documentation and assistance necessary to demonstrate and diagnose each potential Support Issue, including providing necessary test cases that NVIDIA can reproduce on a Certified System, (iii) provide remote system access (upon mutual agreement) for NVIDIA to replicate potential Errors, and (iv) provide embedded diagnostic information associated with the Supported Software;
- (d) When you use Maintenance, Update or Upgrade, access to a new product version does not change the number of authorized licenses you have for the Supported Software and you shall discontinue use of the prior version as necessary to maintain your authorized number of licenses;
- (e) you will appoint as Designated Users only those of your employees who have reasonably appropriate technical backgrounds and skills. You may remove or replace any of the Designated Users at any time during a Service Term upon written notice to NVIDIA; and
- (f) you will appoint, at NVIDIA's request, designated service and engineering contacts for service issue escalations.

NVIDIA shall be excused from performing any of its obligations hereunder to the extent any such non-performance is attributable to your failure to perform your obligations under this section.

**5. SERVICE FEES; PAYMENT TERMS.** When you purchase Service Subscriptions directly from NVIDIA the following applies: Service Fees for the Service Subscriptions are set forth in the associated Order and are payable pursuant to the terms of such Order. Unless otherwise expressly indicated in an Order, Service Fees will be invoiced upon your purchase, are payable net thirty (30) days of the invoice date, and are expressed in U.S. Dollars. All Service Fees are non-refundable. The Service Fees do not include any taxes, duties or similar charges. If NVIDIA is required to pay sales, use, property, value-added or other taxes based on the payments provided in the AGREEMENT and if NVIDIA is required to collect and remit such taxes, then such taxes shall be billed to and paid by you or your reseller, unless NVIDIA receives a valid exemption or resale certificate. If you are not billed the applicable tax under the Order, then it is your responsibility to properly remit the tax directly to the applicable tax jurisdiction. Further, you acknowledge that the payments to

NVIDIA under the AGREEMENT shall be made in full without reduction for withholding taxes, if applicable. This section shall not apply to taxes based on NVIDIA's net income or payroll taxes. All amounts not paid when due will accrue interest (without the requirement of a notice) at the lower of 1.5% per month or the highest rate permissible by law until the unpaid amounts are paid in full. If payment of any Service Fee is overdue, NVIDIA reserves the right to suspend or terminate Service Subscriptions, in addition to any other remedies it may have, until the payment delinquency is corrected. Payment obligations survive any expiration or termination of the AGREEMENT and upon expiration or termination of the AGREEMENT any amounts owed to NVIDIA will be due and payable immediately on the effective date of expiration or termination, even if longer terms had been provided previously.
